TORONTO SUN - THE GUN REGISTRY STILL EXISTS, DESPITE A VOTE TO DESTROY IT

Despite a clear vote in Parliament to destroy it, despite a Supreme Court ruling that it could be destroyed and despite assurances from politicians and top bureaucrats - including a senior Mountie - that the data was all destroyed, it turns out there are two copies left of the Quebec portion of the registry. MUSLIMS RESPONSIBLE FOR AT LEAST 80% OF THE WORLDWIDE BOMBINGS IN 2014 AND 2015

By John Lott, Crime Prevention Research killed at least four people. Of those, 1,401 were by radical Muslims, 58 were non-Muslims, and 302 were unknown. It seems likely that most of those unknown attacks were also by radical Muslims, but even if that isn't the case, at least 80% of these bombings were done by radical Muslims and possibly as few Centre - 6 JUNE, 2017 During 2014 and 2015 there were 1,761 bombings in the world that as 3.3% are done by non-Muslims. JUSTIN TRUDEAU: 47 CHARACTER REVEALING QUOTES FROM CANADA'S 23RD PRIME MINISTER AND WHAT THEY MEAN FOR YOU By Christopher di Armani

A scathing indictment of Canada's 23rd Prime Minister, Justin Trudeau. A man's actions reveal his true character, that which he attempts to cover with his words. What a man says is often inconsequential. Unlike his words, his actions do not lie. They tell the true tale of the man. This book examines Trudeau's words, their stark contradiction with his actions and examine what his true character reveals.
