GUN CONTROL FOR GOVERNMENT

Need to better secure the guns of government law enforcement agencies so that they do not fall into the hands of criminals
“Since 2010, at least 944 guns have disappeared from police in the Bay Area and state and federal agents across California – an average of one almost every other day – and fewer than 20 percent have been recovered,” revealed an investigative report from the Bay Area News Group, which includes the Mercury News and East Bay Times newspapers.
