TRUE, STRONG AND FREE: FIXING CANADA'S CONSTITUTION

A John Robson Documentary - A project of the Justice Centre for Constitutional Freedoms - Uploaded on Oct 7, 2016

https://www.youtube.com/watch?v=QQHH_KIjTsc

Canadians are fortunate to enjoy the blessings of prosperity, openness and dynamism because of a long tradition of individual liberty under the rule of law. But to keep those blessings we need to restore our crumbling Constitutional foundations on the basis of respect for the rights and dignity of each and every one of us. This documentary explores our long, exciting successful history of struggle for rights, explains how they are threatened today, and offers a bold and comprehensive solution, looking forward with confidence because it is true to our heritage.

NATIONAL POST - CANADA A SMALL PART OF GLOBAL EMISSIONS PROBLEM, BUT COSTS OF INACTION ARE NOT ZERO

The 30 per cent of emissions we have pledged to eliminate by 2030 is about as much as China belches out in a week. Whatever we do or do not do, it will have very little impact on global warming; and whatever global warming’s impact on Canada there is little we ourselves can do to avert it. It is not even clear the world can. By Andrew Coyne | October 12, 2016 8:23 PM ET
