CLIMATE CHANGE IN CALGARY - Friday and Saturday March 17 and 18

NEWS FROM JOHN ROBSON: If you're in the area I really hope you'll join us for "Meeting the Climate Change Challenge", the 2017 annual conference by the Economic Education Association of Alberta, in Calgary this coming Friday and Saturday March 17 and 18. We've got a terrific lineup of speakers including climatologist Dr. Tim Ball and Friday lunch keynote speaker Marc Morano. And I'll have something to announce during my own talk on March 17. The time is right to stand up to the hysteria, confront bad science and assess policy rationally. So please join us for two days of outstanding presentations and timely discussion on this crucial issue.

JUSTIN TRUDEAU: 47 CHARACTER REVEALING QUOTES FROM CANADA'S 23RD PRIME MINISTER AND WHAT THEY MEAN FOR YOU By Christopher di Armani

A scathing indictment of Canada's 23rd Prime Minister, Justin Trudeau. A man's actions reveal his true character, that which he attempts to cover with his words. What a man says is often inconsequential. Unlike a his words, his actions do not lie. They tell the true tale of the man. This book examines Trudeau's words, their stark contradiction with his actions and examine what his true character reveals.
