HAPPY DOMINION DAY & CANADA DAY

For 115 years we celebrated Dominion Day and for 35 years we celebrated Canada Day.

THE DEATH OF 'DOMINION DAY'

On July 9, 1982, 13 members of Parliament hastily -- some say indecently -- renamed the country's national birthday in a swift bit of legislative sleight-of-hand.

BY ROBERT SIBLEY, THE OTTAWA CITIZEN – SEPTEMBER 1, 2006

<http://dennisryoung.ca/wp-content/uploads/2016/07/The-Death-of-Dominion-Day-by-Robert-Sibley.pdf>

Dominion means something, it has a definition that is worth celebrating.

DOMINION

<http://www.thesaurus.com/browse/dominion>

1. the power or right of governing and controlling; sovereign authority.
2. rule; control; <http://www.dictionary.com/browse/domination>.
3. a territory, usually of considerable size, in which a single rulership holds sway.
4. lands or domains subject to sovereignty or control.
5. Government. a territory constituting a self-governing commonwealth and being one of a number of such territories united in a community of nations, or empire: formerly applied to self-governing divisions of the British Empire, as Canada and New Zealand.

CANADIANS – NOT AMERICANS – ARE A GREATER RISK TO BRING ILLEGAL GUNS INTO CANADA:

BORDER AGENCY - The intelligence brief, circulated to Canada Border Service Agency officers in February 2016, says that about one in every seven and a half seizures of undeclared firearms from Canadian residents at the border uncovers firearms that were illegally held, used in a crime, suspected of being used in a crime or had their serial number destroyed — all of which mean they can be categorized as prima facie crime guns (PFGCs), a metric used by CBSA to track firearms related to illicit activity. JUSTIN TRUDEAU: 47 CHARACTER REVEALING QUOTES FROM CANADA'S 23RD PRIME MINISTER AND WHAT THEY MEAN FOR YOU By **Christopher di Armani**

A scathing indictment of Canada's 23rd Prime Minister, Justin Trudeau. A man's actions reveal his true character, that which he attempts to cover with his words. What a man says is often inconsequential. Unlike a his words, his actions do not lie. They tell the true tale of the man. This book examines Trudeau's words, their stark contradiction with his actions and examine what his true character reveals.
