There are still many unknowns about gun crime ...

What we don't know

- the origin of firearms involved in gun crime in Canada
- if firearm-related violent crimes are linked to organized crime
- the ethnicity of both victims and persons accused of firearm-related violent crime
- the Indigenous identity of both victims and offenders in firearm-related violent crime, with the exception of homicides
- enough about marginalization and gun crime in Canada

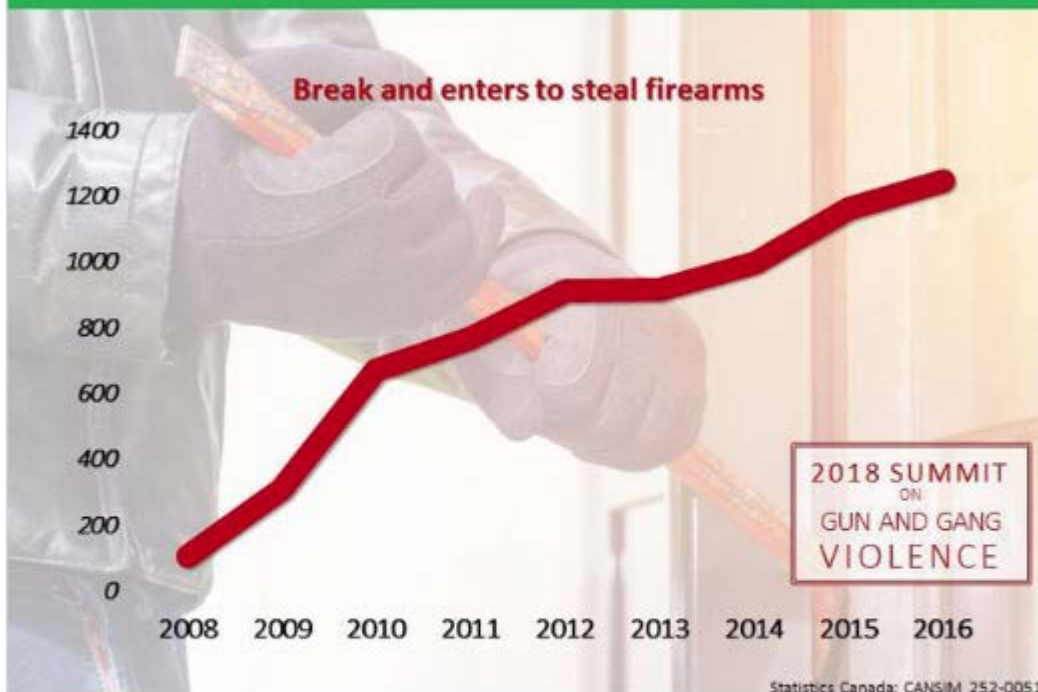

Myth

Crime guns come from overseas, not from Canada

Reality

These days many crime guns come from thefts and diversions of legitimate purchases

Ralph Goodale ✓

@RalphGoodale

With so many crime guns coming from legitimate domestic sources, we need effective firearm measures that prioritize public safety while ensuring fair treatment for law-abiding firearm owners.
