#### **PRESENTATION ON LACK OF EVIDENCE SUPPORTING BILL C-71 TO THE SENATE COMMITTEE ON NATIONAL SECURITY AND DEFENCE**

Albert Einstein is credited with saying: *"The definition of insanity is doing the same thing over and over again but expecting different results"*. There's no proof that **Einstein** really made this statement just as there is no proof – no 'evidence' - that any of the reams of gun control laws passed by successive governments over the last four decades has reduced the number of homicides, reduced the number of suicides, reduced violent crime, improved public or police safety or kept firearms out of the hands of criminals.

#### **TARGETING BAD GUYS WITH GUNS**

##### **PETITION TO PRIME MINISTER TRUDEAU: SHOULDN'T POLICE KNOW WHERE THESE BAD GUYS WITH GUNS LIVE?**

We residents of Canada call on the Government to pass a motion making it mandatory for judges when imposing a firearms prohibition order, as part of a criminal sentence, a protection order or restraining order, also make it mandatory for these persons to report any change of address to police and this information be made available to police in a database on CPIC (Canadian Police Information Centre). #### **WHAT GOODALE'S 'GUNS AND GANGS SUMMIT' MISSED ALL TOGETHER**

- Little real evidence that Canada's gun control programs are working
- No Value-for-Money Audits - No Cost/Effectiveness Evaluations in the last 25 years!
