RE: The High River RCMP Corruption

As promised, enclosed is the Video (and written narration) that proves the RCMP in High River were corrupt before they smashed up the town during the flood. **Non-Responsive**

Your government claims they didn't give the order to smash up High River. Somebody did. That's why Doug Griffiths stood up in the legislature the first day of the fall sitting and admitted "mistakes were made during the flood". He couldn't come right out and admit who gave the order could he? The RCMP will rat them out anyway.

Thank you for contacting the Government of Alberta as you pursue answers to your questions. I ask for your patience in awaiting the results of the independent CPC investigation. I trust this explains my department's position in regard to this matter.

Sincerely,

Jonathan Denis, QC
Minister
